Honorable Council,

Everyday individuals are standing on the narrow roadway dividers in our city attempting to solicit money from passing motor vehicles

This practice of panhandling presents a major risk to both these individuals, and to drivers of cars, trucks and even very large 18 wheelers, who pass just inches away from them.

We have an opportunity to prevent serious injury or even death of panhandlers, and to prevent a driver, quite possibly an innocent driver, from having to suffer the enduring thought and pain of that unfortunate event.

Please vote in favor of Ordinance 2025-21 on Monday. It could save a life, or save someone from being maimed for life.

Thank you in advance.

Sincerely,

Al Hause
